Student Meal Service During School Closure

During the school closure, March 17 – April 3, Floyd Municipal Schools will continue to provide meals to its students. Student meals are free of charge to all students during the school closure. Younger siblings who are not in school can also receive free meals. The meals will be served as “grab and go” meals. This means students and siblings may come to one of the two designated school cafeterias and pick-up a breakfast and a lunch to take home for consumption. Students do not need to go to the school they attend to receive a meal. They may go to the school site closest to their homes.
